OVERSEAS WAREHOUSE

Germany dispatch to most of EU countries, 48 hours to ship goods via DHL/UPS... within 5-7 workdays to reach India dispatch to 1.2.3.4 area, 48 hours to ship goods, within 5-15 workdays to reach.

Frequently Asked Questions

Q1: What is your main products and material supply?

A1: Our main products are Electronic screws, Sems screws, Tapping screws, Chicago screws, Shoulder screws etc. Special Non-standard studs, Turning parts and High-end precision complex CNC Machining parts.

A2: Materials include Carbon Steel, Alloy Steel, Aluminum alloy, Stainless Steel, Brass, Copper, Titanium alloy or according to your requirements.

Q2: When can I get the price?

A: We usually provide quotations within 12 hours (24 hours maximum for special offers). For urgent requests, please contact us directly by phone or email.

Q3: What about the transportation and delivery date?

A: For orders over 80kg, we typically use shipment (20-30 days). For smaller or urgent orders, we can arrange air express (3-5 days).

Q4: What's your packing? What to do in case of damaged goods during transport?

A1: Standard packing includes bulk cartons ($\leq 20\text{kg}/\text{carton}$, 48 cartons/pallet). Custom packing available upon request.

A2: Please inspect goods upon receipt. For any transport damage or quality issues, document with photos and contact us immediately for resolution.

Q5: Can I get discounts?

A: Yes, we offer reasonable discounts for bulk orders and frequent customers.

Q6: Do you have enough capacity?

A: Our modern production facility with skilled workers (10+ years experience) can produce up to 30 million pieces/month. We maintain sufficient resources to ensure smooth operations.
