Our Cooperative Principles

- 1 Making the sample until you are satisfied with it
- 2 Providing production schedule to ensure you know every process
- 3 Offering professional one-on-one service and replying your E-mail within three hours
- 4 Inspection report shall be provided before shipment
- 5 Free product solutions and free design of new products to customers

Worry about the strength of the factory?

Founded in 2001, Dongguan Anma Hardware Co., Ltd is an ISO 9001:2015 manufacturer. We have more than 16 years of production experience in the production of fasteners. We not only have new imported production equipment and spacious storage space, but also have a group of experienced workers and professional engineering R & D team. Therefore, our company has enough strength to meet the needs of customers.

★★★★★

This purchase was an exam to observe the work of the manufacturer and ALIBABA, I feel satisfied with the experience gained, it will help me a lot for future purchases to the Republic of China. Congratulations to ALIBABA, as a buyer I felt very well and with great security for its follow-up to be able to make a purchase from a new supplier in China. Thank you

Ava Huang
