Product Description

INCH Measurement System Steel Fittings Leather Sling Studs Black Chicago Screws

FINEX | Fine and Express FASTENERS

Durable Steel Construction

Made from high - quality steel, these fittings are tough and long - lasting. Steel provides excellent strength, allowing the screws to withstand significant stress during installation and use. This makes them suitable for both light - duty and heavy - duty applications, ensuring they won't break or deform easily.

Leather Sling Stud Compatibility

Designed with leather sling studs in mind, these Chicago screws are perfect for attaching leather components. They create a secure connection between the leather and other parts, whether it's for crafting leather goods, making leather - strapped accessories, or in leather - based industrial applications.

Sleek Black Finish

The black finish not only gives these screws a sleek and professional look but also provides some level of corrosion resistance. The black color can blend well with various materials and settings, making them aesthetically pleasing for both functional and decorative projects.

Versatile Applications

They are great for DIY leatherworking projects, leather furniture repair, and manufacturing leather - related products. Whether you're a hobbyist

creating handmade leather items or a professional in the leather industry, these INCH - measured black Chicago screws with steel fittings for leather sling studs are a reliable choice.
